

1. I'm so tired, I am ready to **hit the sack** early tonight.
2. **Speak of the devil!** We were just talking about you!
3. I'm feeling a little **under the weather** and I need to make a doctor's appointment.
4. Losing my job was a **blessing in disguise** because I found a better one.
5. I'm **on the ball** today - I woke up early, exercised before work, and I cleaned the whole house.
6. Stop **beating around the bush** and tell me the truth.
7. **Pull yourself together** man! Everything is going to be okay, stop crying.
8. Hey, I'm still learning, **cut me some slack.**
9. Don't give up. **Hang in there,** things will get better soon.
