

Route 66

Route 66 is the most famous road in the United States. Stretching nearly 4,000 kilometers from Chicago to Los Angeles, this historic highway is often called the “Main Street of America.”

1. Go to this website:

<https://learningenglish.voanews.com/p/6984.html>

2. Choose three videos to watch about different places and sights to see along Route 66.

3. For **each** video, answer the following:

- Where does the video take place? What places do you see in the video?
- What is there to see and do there?
- Write and define three new vocabulary words or phrases you do not know.
